EVERYDAY OFFICE ESSENTIALS

Everything you need.
Nothing you don't.

Capsul makes the printers, monitors, keyboards, and mice an office uses every day, built to do the work well and to give the whole office one simple standard.

Right-sized

Every model covers what the work actually needs. You don't pay for features nobody uses.

Lower cost to own

Lower prices up front and long-lasting supplies keep the whole office less expensive to run.

Supported locally

Sold, set up, and supported by your IT or office technology provider, who knows your office.

Essentials

The everyday desk, covered at the lowest cost.

Premier

More speed, screen, and comfort for the people who work their equipment hardest.
